Wonder what happened to Spicer when the British found out that he was really a German agent distinguished as an Englishman? It took the Americans to catch up with him however and refuse him entry in the U. S. A.

O—o—O

How much German propaganda and how far reaching would it have been, if under, had Spicer been fortunate enough to get through the American secret service and lecture from the Chautauqua platform as first arranged?

The Doctor Away From Home When Most Needed

People are often very much dis-pelled to find that their family physician is away from home when they most need his services. Diseases like pain in the stomach and bowels, colic and diarrhoea require prompt treatment, and have in many instances proven fatal before medicine could be procured or a physician summoned. The right way is to keep at hand a bottle of Chamberlain's Colic and Diarrhoea Remedy. No physician can prescribe a better medicine for these diseases. By having it in the house you escape much pain and suffering and all risk. Buy it now; it may save life.

RESOLUTION OF RESPECT

Whereas God, the Supreme Architect of the universe has seen fit in His infinite wisdom and unbounded justice to call from all earthly labors to his eternal reward above, Brother Jard E. Bowers, it is therefore resolved by Scotland Neck Lodge No. 470 A. F. and A. M.:

(1) That in his death we have lost a loyal brother and true friend, one ever ready to do his full share in all things; one who never failed to lend a helping hand wherever he found a needy brother.

(2) That from our hearts and with our greatest sincerity we render our deepest sympathy to his bereaved family, and pray that God may minister to them the comfort that He alone can give.

(3) That to his friends, the citizens of Halifax County, and others throughout the length and breadth of the state we extend to them our sympathy in their loss of a friend ever faithful and a servant who knew, as few men know, the real meaning of the word, loyalty.

(4) That copy of these resolutions be spread on the minutes of the Lodge. That a copy be mailed his family, one to the Orphans Friend and one to The Commonwealth.
